COMMENTS FROM THE TOWN MANAGER'S OFFICE

The dog licenses for 1965 have been received and are available at the office of the town clerk. The dog tax is due on or before April 1 of the current year. There is also a space on the Assessors' declaration to list the number of dogs that anyone owns. Both of these steps should be taken by all dog owners on or before April 1.

The excise tax payments have slowed a little but are still about seventy ahead of the same date last year. This should help some the last week of the month when most people pay their excise tax and register their car. I will mention again that anyone who calls the office to find out the cost of their excise tax this year should either have the amount they paid last year or the registration receipt number from last year. With this information we can tell you what your excise tax will be this year.

Town meeting will be the first day of March this year. Anyone wishing to run for any of the elective offices in town should obtain his nomination papers from the town clerk. The nomination papers must be signed by at least fifty registered voters of the town of Bethel and returned to the town clerk at least fourteen days before town meeting day.

Most of the members of the budget committee attended the Chamber of Commerce meeting this week to hear the talk on comprehensive planning. They will decide at a future meeting whether or not they will support a similar plan for Bethel.

BETHEL C. D. HOLDS COMMUNICATION EXERCISE WEDNESDAY

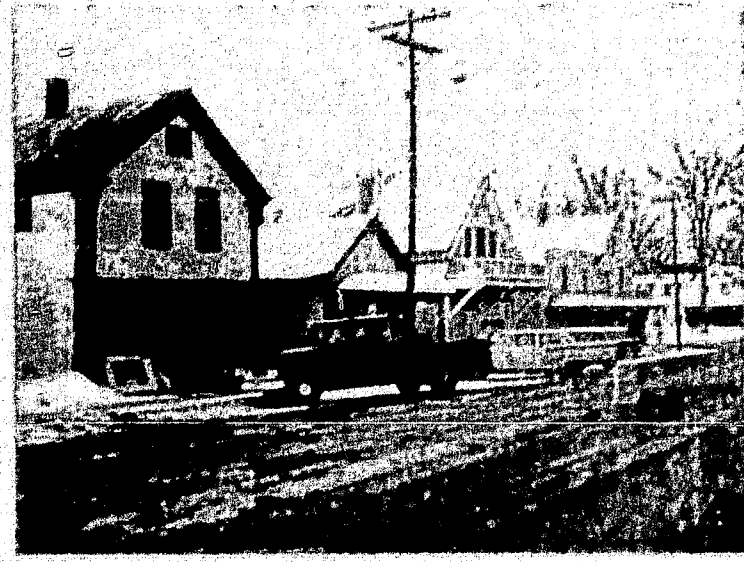

Under the direction of John Greenleaf, Bethel's Office of Civil Defense is active and functioning as a vital element in anticipation of flood, fire, and any other seen or unforeseen danger to the community.

The latest in a series of exercises intended to sharpen and make ready for instant action the communications set-up of the Bethel unit was a successfully completed mock setup communications drill, held on Wednesday of this week. Those directly concerned with this were: Pilot Communications (Chief Dick Thompson, Lieut. Chief Ernest Perkins, and Messager Center Clerk Carroll Valentine).

The full facilities of the Van Telephone and Telegraph Company were employed under the supervision of Walter Tikanader. It is interesting to know that in the event of real emergency, an emergency hook-up on an emergency switchboard could immediately connect fifty local citizens, blanketing the entire Bethel area.

Under Eldon Greenleaf, there has been established for some time a two-way radio Civil Defense unit, with a group ready and able to cooperate with each other and with two new "walkie-talkies," now on order for the local organization.

Bethel citizens may rest assured that an alert, well organized, and faithful group of conscientious Civil Defense is "on the job," prepared to join with

The ground floor of the building on the left is being renovated to accommodate Hall's barber shop, which is now in the next building, as well as Ruth's Beauty Shop, which has occupied the location since June of

1954. Mrs. Myron Bryant, owner of the buildings, plans to have the barber shop and the next building to the right which for many years was occupied by Bryant's Market, torn down soon.

Mrs. Lincoln Fiske, president of the Bethel Auxiliary of the Rumford Community Hospital, (left), and Mrs. Virginia Snare, Director of Nurses at the Rum-

ford Community Hospital. Mrs. Snare spoke at a gathering of interested women at a meeting of the Hospital Auxiliary at the home of Mrs. Richard Bryant, Vernon Street, Monday evening.

BOY SCOUT WEEK

The theme of Boy Scout Week, to be observed from February 7 to 13, is "Strengthen America's Heritage." A better one could not have been chosen.

All manner of activities will characterize the Week. Churches of every denomination will develop the theme in their services. Newspapers, radio and television will give the Week the notice it so richly deserves.

Schools and civic groups will participate. Patriotic organizations will play their important part. The goal is to bring home to everyone American principles and ideals which are eternal and which the Scouts are pledged to sustain.

The Scout Oath and Law is worth rereading and remembering: "On my honor, I will do my best to do my duty to God and my country, and to obey the Scout law. To help

other people at all times, and to keep myself physically strong, mentally awake and morally straight." Every Scout thus gains a philosophy to live by all his life.

The Week will mark the 55th Anniversary of the Boy Scouts of America. Some 5.5 million boys are now members. May their tribe increase, and may the movement last for centuries to come.

COUNTRY FLAVOR CRUST SLIDING
We recognize that skiing is an important form of winter recreation. If folks prefer to shoot downhill on a pair of up-turned bed slats, that is certainly their privilege under our form of government.

There are, however, men and women of girth and dignity who recall the days of yesterday when sliding on the crust was exciting winter sport. Given a good slope and a steel-shod double runner, it was thrilling to shoot downward, turn a sharp corner, and glide far out on a smooth field or meadow.

Two or three times a winter in the era when snow rollers cranked and ground along country roads after a storm, Nature sent a thawing spell followed by low temperatures. The crust became iron hard and slippery and young folks had a period of sliding.

After school, over a week end, and on a starlit winter evening, local hillclimbers in towns and villages echoed with the voices of happy young people. In those halcyon days before movies in the living room became the national pastime, boys and girls made their own good times.

We are glad to see the young fry on their new-fangled metal saucers and we do not question the thrills of skiing. But the countryman wishes that boys and girls knew the fun of going out to a hillside on a cold sunny day or moonlit evening, and enjoying a long, swift slide on a double runner.

MARCH OF DIMES RADIO AUCTION TO BE HELD FEBRUARY 14
The annual March of Dimes (Polio) radio auction will be broadcast over WRUM Sunday, February 14 from 1:00 to 4:00 p. m. Auctioneers will be Julian Isaacson, Lobster Shorey and Stuart Martin. The auction is under the direction of the Oxford County Chapter National Foundation, Leland Brown, Bethel, Chairman. All proceeds will go to the 1965 MARCH OF DIMES.

The meeting was closed with a brief resume of the General Conference by Mrs. Boobar and an explanation of where the money goes and how it is figured by Rev. Boobar.

LETTER TO THE EDITOR
January 30, 1965
To The Editor of The Bethel Citizen,

We continue to look forward to our weekly copy of the Bethel Citizen with unmitigated anticipation. The paper serves as a solid link between us and the town of Bethel, which has assumed a significance in our lives quite beyond our active association with it. Occasionally we hear from one of our Bethel friends. These letters are of necessity limited to personal anecdotes of time and place. We cherish these and look forward to their arrival. However for broader and more detailed aspects of winter life in Bethel, we rely wholly upon your paper. The residents of Bethel would be amazed at the considerable number of people from many states who look forward with eagerness to the weekly receipt of your paper. For example we know people in Arizona, Virginia, Pennsylvania, and New Jersey whose links to Bethel are greatly strengthened by the news made available to them through your columns.

Where else would they learn that in nearby Magalloway, "the temperature dropped to 30" below zero several mornings last week?" Pray tell how does one cope with a temperature of 30" below zero. In New York City the temperature last week dropped to twelve degrees above zero and we were practically frozen stiff.

How else, except through your newspaper, could one learn about the perennial succession of births, marriages and deaths? How could one keep up with the scores of the Women's Bowling League except through the Bethel Citizen? And then of course there are the priceless "Local" the "Comments from the Town Manager's Office," the activities of the "Golden Age Club," the "Bethel Players," the "Sunday River Skiway," the "Mt. Abram Ski Slopes," "The Week in Oxford County." What would we do without Mrs. Ralph Kimball's reports from Songo Pond and reminiscent facts "From Our Files" of ten to fifty years ago? It may not be earth-shattering, but it is certainly interesting to be reminded that the "Total eclipse of the sun on January 24, 1925, was plainly visible in Bethel." The news about the schools, P

20 SECONDS WITH THE NAZARENE

Beauty is never merely a cover. For anything to be really beautiful, in any true and lasting sense, it must be what it appears to be. Especially in the realm of personality, beauty can never be merely a facade of pleasing appearance or manner that serves to cover a basic ugliness of spirit. Sooner or later the truth will out, and the lie be given to such false beauty, for true beauty must have the essential quality of integrity.
—Russell F. Metcalfe, Jr.

METHODISTS HOLD QUARTERLY CONFERENCE

The annual Quarterly Conference of the Bethel Methodist Church was held Sunday evening at the church, preceded by a pot luck supper. Hymn singing and devotions were led by the pastor, Rev. Donald Hess, District Superintendent. Rev. Lester Boobar presided over the meeting. Reports were given by lay leader, Stanley Brown; official board chairman, Richard Davis; church treasurer, Earl Davis; financial secretary, Mrs. Myrtle Lapham; membership and evangelism, Stanley Brown; education, Mrs. Althea Brown; church school statistical report, Miss Minnie Wilson; Christian social concerns, Mrs. Mabel Greenleaf; treasurer of trustees, Earl Davis; missions, Mrs. Virginia Keniston; stewardship and finance, Richard Stevens; WSCS, Mrs. Sarah Stevens; Eleanor Gordon Guild, Mrs. Virginia Walker; MYF, Nancy Chapin and Handy Christians; auditing committee, Mr. and Mrs. Donald Walker; pastor's report, Rev. Donald Hess. The nominating committee report was accepted with several additions.

The meeting was closed with a brief resume of the General Conference by Mrs. Boobar and an explanation of where the money goes and how it is figured by Rev. Boobar.

An Imaginary Winter Scene On Songo Pond
Last night there crept into my dream
A most enchanting winter scene,
Of snow that glistened on the Pond
In colors of a magic wand.
The trees bereft of summer's dress
Shivered in their nakedness,
While helter-skelter everywhere
The children skated, free from care.

The presence of the pine tree green
Created a most dazzling sheen,
As wind and sun played on the white
The beauty rose to fabled height.
Like tassels on a chandelier
The icicles hung in a tier,
Gently swaying to and fro,
Fragile as a new-born doe.
Songo always meets the call
In summer, winter, spring or fall,
For verdure, snow or rain in season
Emitting beauty in rhythmic reason.

Were one to travel far and wide,
Were he to follow sun and tide,
Never could one match or beat
The bracing charm of this retreat.
Meander on Oh Mountain Jewell
A soothing tonic, a potent fuel
To those who seek contentment in
Your world so free from strife and din.

Would that on these wintry nights,
I could but witness those wondrous sights
That filter in and out my dreams
As you twinkle on moon-lit beams.
Soon the snow and ice will melt
Soon the rains your shores will pelt
Soon the balmy sun will spray
Its healing rays on each new day.

Betimes, my dreams of you will end,
Along your paths and trails I'll wend
As summer brings succor and rest,
While birds again can build a nest.
If Songo could for evermore
Retain the rapture of her shores,
She would become a haven rare
For all who seek spiritual fare.

SKIING

Gould Academy ski teams fared well over the week end. On Friday and Saturday the boys topped Kennett High School 394.26 to 372.43 in a dual meet. Outstanding Huskies in this meet were: in the cross-country—Ray Saunders and Warren Tibbitts tie for second, Jim McMillin, fourth, and Dave Carter fifth; Slalom—Glen Langley first, Russ Hunter third, Steve Moore, fourth and Jack Brooks fifth; Giant Slalom—Glen Langley first, Steve Moore third, Jack Brooks fourth and Russ Hunter fifth. Jumping: Mike Bates second, Warren Tibbitts third, Rod Swain fourth and Stan McKnight, fifth.

The girls' team, skiing without Jane Howe, who broke her ankle the previous day, pulled out a very narrow victory over Stephens High School in a four-team meet at Kents Hill. The scores were: Gould 195.51, Stephens 194.99, Kents Hill 185.45 and Wilton 153.01. Particularly good individual performances were turned in by Laurel DesRoche who was second in both events, by Barrie-Lee Johnson who was third in Giant Slalom and fifth in Slalom and by Beth Sargent who was third in Slalom.

On Sunday at the Pleasant Mountain Eastern Qualifying Giant Slalom, Gould skiers continued to dominate the field. Glen Langley won the boys'
